

Maybe I can help you!

Are you in need of quality goods and services? Due to my business networking activities in both the Arlington Heights and Barrington Chambers of Commerce, I have contact with many business owners and representatives. All of these businesses are reputable businesses and Chamber of Commerce members. Take a look at the list below, when you are in need of goods or services, please contact them and use my name. If you prefer I would be pleased to make a personal introduction.

Remember, part of the sales tax dollars paid in Arlington Heights and Barrington STAYS in the community.
